Product Page: <https://www.visualartsmississauga.com/product/tiyli-introduction-to-acrylics-6/>

Product Description

This fun course introduces the endless properties of acrylic colours and mediums. Students will discover the many applications of acrylics using a range of tools on a variety of surfaces with additional insight into what makes a good painting through colour, tone and composition. Subject matter will range from still life and landscape to abstractions.

Materials included.
