Product Description

This course, designed for students age 11 - 13, encourages kids to practice foundational art skills and develop new techniques while also allowing their creativity to flourish. Students work in small peer groups to draw each week and explore painting, printmaking, mixed media projects guided by the Elements and Principles of Art, Art History and so much more. Our Artist Instructors share step-by-step demonstrations to guide students through a variety of inspiring art projects each week. **Materials included. Maximum 10 students.**
